NOTICE OF WINTER ENERGY SURCHARGE:

As in previous years, our 10% energy surcharge will begin again effective with your December 2010 board billing. As we did last year, we have delayed this year's surcharge for 1 month over prior years and will take it off as soon as mild weather permits to limit the additional burden on our boarder family. Thank you for your extra help through the winter months.

\$325.00 X 10% = \$32.50 Winter Energy Surcharge

\$225.00 X 10% = \$22.50 Winter Energy Surcharge

\$175.00 X 10% = \$17.50 Winter Energy Surcharge
